

You are at the step of an invasion talking with the general:

2. We should try and talk with them war should be the last option.

3. They killed our scouts. None of those animals deserve to live after what they did.

4. How about we just wait out and see what happens. Like back in QZ3 that was a blast.

Do you want to go alone on this diplomatic mission or what?

5. Yes

6. No

I think you are being a bit aggressive, is it clouding your judgement?

7. Yes

8. No

Waiting is not an option we have our whole fleet here. Start assault?
